

Live-In Caregiver

Who is a Live-In caregiver?

A family member living in the same household with an adult who needs some degree of ongoing assistance with everyday tasks on a regular or daily basis.

How to Become a Paid Caregiver for Your Loved One

STARS Home & Community-Based Services (HCBS) department offers live-in caregivers to become a professional Direct Support Provider (DSP) and being compensated for the daily care and dedication.

Feel the joy in becoming your loved one's shining star.
